College Name & Intro

Smt. Kamala & Sri Venkappa M. Agadi College of Engineering & Technology (SKSVMACET) is an institution founded by the Late Sri Venkappa M. Agadi, with the vision to transform his birthplace into a center of excellence. Located at Lakshmeshwar near Hubballi-Dharwad, a growing hub for culture, business, and technology.

Vision

Aspire to become a preferred institute by transforming rural youths into global technocrats through continual excellence in engineering education, innovation, lifelong learning, and ethical values.

Mission

1. Inculcate outcome-based quality education in engineering through experiential learning.
2. Promote industry-institute collaborations and encourage innovations in thrust areas.
3. Emphasize cutting-edge sustainable technologies beneficial to society.
4. Develop professionals with discipline, integrity, and ethical values.

Why Choose SKSVMACET?

• No Capitation Fees
• Scholarships for deserving students
• Qualified, dedicated faculty passionate about teaching
• Modern infrastructure and amenities
• MoUs with leading industries and institutions
• Separate hostels for boys and girls with internet, gym, ATM, hygienic meals, and sports facilities
• Campus-wide Wi-Fi
• Effective student supervision and counseling

Admission Policy

The college fully follows AICTE, university, and state government processes. Admissions are based on CET/COMEDK scores and adhere to the rules for both government and Management Quota seats.

Key guidelines:
• Calendar, form submission, and admission list dates follow the university/government schedule.
• Candidates must ensure eligibility (minimum 45% in Physics, Mathematics, and one of Chemistry/Biology/Biotechnology/Electronics/Computer Science/Information Science).
• Admission is offered to candidates who have written CET/COMEDK conducted by Government of Karnataka.

Admission Process

1. Interaction with Admissions Coordinator
2. Document Verification
3. Admission Order Download
4. Filling out the Admission Form

5. Fee payment to KEA
6. Report to College
7. Finalising the admissions

Bachelor of Engineering Intake

SI No	Course Name	Intake	Duration
1	Civil Engineering	30	4 Years
2	Computer Science & Engineering	120	4 Years
3	CSE (Artificial Intelligence & ML)	60	4 Years
4	Electrical & Electronics Engineering	60	4 Years
5	Electronics & Communication Engineering	120	4 Years
6	Information Science & Engineering	60	4 Years
7	Mechanical Engineering	30	4 Years
